

MEET THE WEAR GUARD ANTI-WEAR FAMILY

Central Oil Presents: Wear Guard AW 32, AW 46, & AW 68

INTRODUCING CENTRAL OIL'S WEAR GUARD AW OILS

At Central Oil & Supply, we understand that your bottom line is of utmost importance. That's why our Wear Guard Anti-Wear Hydraulic Oils have been designed to protect against wear, rust, corrosion, and oxidation, all while being an economical choice for your business.

DESIGNED TO PROVIDE:

- Anti-foam protection
- An Economical choice for older leaky systems
- Rust and corrosion protection

APPLICATIONS:

Recommended for use in hydraulic systems utilizing radial or axial piston, vane, gear, and other type pumps.

*Always consult your owner's manual for the proper fluid for your equipment

QUALITY ANTI-WEAR PROTECTION

To maximize your productivity, you need your equipment to run smoothly. Wear Guard AW 32 is recommended for use in hydraulic systems utilizing radial or axial piston, vane, gear, and other type pumps, where quality anti-wear hydraulic oil is required.
