

SAME PRODUCT, NEW LOOK!

Central Oil Presents: Wear Guard Premium Tractor Hydraulic

DELTA PRIDE IS NOW KNOWN AS WEAR GUARD

Central Oil & Supply is proud to offer you the same premium tractor hydraulic, under a new name: Wear Guard Premium Tractor Hydraulic. This classic green bucket product was formulated specifically for use in transmissions, final drives, wet brakes, and hydraulic systems of tractors and other equipment that uses a common fluid reservoir.

AT CENTRAL OIL & SUPPLY, WE KNOW: IF IT AIN'T BROKE, DON'T FIX IT

Our Premium Tractor Hydraulic Has Always Offered:

- **Ease of use on today's farm** – Meets the needs of modern tractors for a combination lubricant
- **More bang for your buck** – Performs many functions such as lubrication of the transmission and final drive, as well as lubrication for the power steering units, brakes, and implements
- **Protection you can trust** – Protects metal surfaces against scuffing and wear, eliminates "chatter" and excessive brake facing wear, and assures smooth operation of clutch packs and wet brakes.
- **Compatibility to go the extra mile** – Compatible with equipment manufacturer's proprietary fluids and other fluids of this type.

APPLICATION:

Our Premium Green Bucket is formulated specifically to meet John Deere J20C specifications. It is recommended for use as a multi-functional fluid in all types of farm equipment and tractors.

MEETS PERFORMANCE REQUIREMENTS FOR:

New Holland, Cat TO-2, Kubota, Case JIC-143, Allison C-4, Volvo, and MORE!

**Always consult your owner's manual for the proper fluid for your equipment*
