

MEET WEAR GUARD SMOKE OIL

Central Oil Presents: an Oil Designed for Aviation Customers

INTRODUCING CENTRAL OIL'S WEAR GUARD SMOKE OIL

At Central Oil & Supply, we understand that you need a smoke oil that provides superior performance, while also being economical. That's why our new Wear Guard smoke oils were developed specifically for both piston engine and jet engine powered aviation aerobatic flight displays.

TRUST US - WE'VE GOT THIS...

You've got enough on your plate—let us help maximize your potential. The additives in our Wear Guard Gear Oils provide the lowest possible viscosity, while also allowing the oil to be easily vaporized and fulfill the stringent international pharmacopoeia purity standards.

DESIGNED TO BE:

- Low Viscosity
- Readily Vaporized
- Good for Low Temperature Properties
- Fulfills the Stringent International Pharmacopoeia Purity Standards

*Always consult your owner's manual for the proper fluid for your equipment
